ANNUAL PARISH MEETING

Tuesday 22nd May 2018, 7.30pm

Tower Hall – Broadlands Way

This meeting is not like a normal Parish Council Meeting where councillors debate and resolve agendered issues.

This is much more of an informal gathering where anything can be discussed from precepts to allotments, although by law we do have to publish an agenda and the Chairman of the Parish Council has to chair the meeting if he is present.

This is your public meeting

Councillors and Clerks will be on-hand to answer your questions or to refer to the appropriate committee anything they cannot answer at the meeting.

MEETING AGENDA COMMENCING 7.30pm

1. Apologies
2. Minutes of Annual Parish Meeting 2017
3. Parish Council Accounts Year Ending 31st March 2018
4. County* & District Councillors* - Reports / Questions
5. Annual Report from the Chairman of the Parish Council
6. Open Forum - Have your say on any local issues, services or needs not already covered in the agenda

Refreshments will follow item 6
